

COVID Protocols

Children's Ministry

As of Sunday, July 4, we will no longer require children or children's ministry volunteers/staff to wear masks. This is in response to the Governor's announcement of a lifting of the mask mandate and a relative return to normal in the State of Michigan as regards Covid. Obviously, both children (per their parent's guidance) and teachers are welcome to wear masks if they so desire.

The physical set up for our children's ministry will continue to be naturally geared toward social distancing.

Worship

We will continue to have a section under the balcony in the sanctuary during the 9:00 service and a section on the north side of the Family Life Center during the 10:30 service that will be mask-only for those who would prefer that setting.

General

We will continue to monitor news to stay abreast of relevant information regarding safety for our families, and especially our children.
